

**Continuing a Community Tradition of Care  
Memorial 4"x8" Clay Paver Brick: \$125**

With 40 members of the community on our waiting list, many of whom no longer have the personal funds to continue their own care, we are asking for your help to build the new assisted living home that our community's seniors—our parents, siblings and friends—need.

By choosing to make your donation with a memorial brick, your loved one's legacy can be a part of our legacy: a tradition of care that touches the whole community.
